KINGS X

MCQG AUGUST 2023	**CHARITY**
Colors 1 & 2	**ORANGE SOLID OR PRINT**
Color 3	**WHITE, OFF-WHITE, or IVORY SOLID or PRINT**

This makes a 12" block

Traditional Block

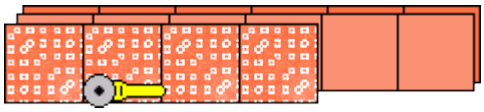

Pattern adapted from
http://www.quilterscache.com

©1999 Marcia Hohn

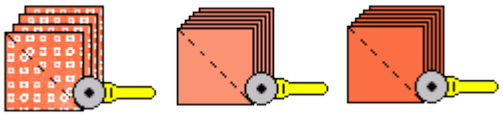

Color 1 ONE 4" by 24" strip (or SIX 4-inch blocks from scrap)

Color 2 ONE 4" by 24" strip (or SIX 4-inch blocks from scrap)

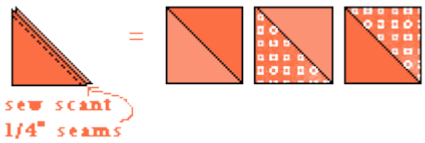

Color 3 ONE 4" by 16" strip (or FOUR 4-inch blocks from scrap)

IF using strips, carefully stack your three strips of color.
Cut strips into 4-inch squares to create
SIX squares each of Colors 1 and 2 and FOUR squares of Color 3.

Stack like-colored squares in twos or threes, and cut on the diagonal into triangles, being careful not to stretch fabrics.

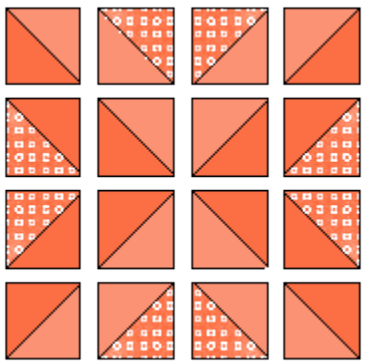

Piece together the following combinations of triangles, by sewing on the diagonal and using SCANT 1/4" seams, to create the half-square triangles below:

- Eight squares of Colors 1 and 2,
- Four squares of Colors 2 and 3, and
- Four squares of Colors 1 and 3.

Be careful not to stretch fabrics! Press seams towards darker fabrics.

****TRIM SQUARES to 3-1/2 inches.****

Lay out the squares in the order shown at left.
First, sew together the four rows of four squares each.
Press seams of each row in alternating directions. Seams will then nest when attaching the four rows together to form the completed block.

NOTE: *IF you are a precise and accurate cutter and sewer and IF you would rather avoid trimming the squares to 3.5 inches, cut your starting squares to 3-7/8ths inches. The resulting squares from the sewn triangles will be 3.5 inches, with no trimming needed.*
